Crisp Point Light Historical Society

The Crisp Point Light Historical Society continues to ask for your help to raise the funds to finish paying for the visitor center. A handicap accessible sidewalk, plumbing, a well, and a solar electrical system have all been completed. The inside of the building has been painted, and a ceiling installed. Though the work is done, the payments are not. As with any building project, the expenses were more than expected, and we can still use your donations.

We have a few different opportunities for those who are able to provide financial assistance. There are still boards available in the boardwalk that can be engraved with the inscription of your choice. Many people have used these as a memorial to a loved one. Donations of any amount are glady accepted. Anyone who donates at least $100 or at least $50 will be listed on a plaque inside the new building.

Name _____

Address _____

City, State, Zip _____

Phone _____ Email _____

Name to be engraved on board or plaque (32 characters, including spaces, maximum)
PLEASE PRINT CLEARLY!
