

Hello Again!

Thanks to all of you for your interest and encouragement as we struggle to save C.P.L. Thank you for your generous money donations, for your membership fees, and your T-shirt orders. Also, thank you for taking time to fill out and return our questionnaire. We are sending them out again. If you haven't already returned one, please take a few minutes to do so.

Many folks volunteered to help us with physical labor. One volunteered to donate brick. Some have volunteered to write for grant funds. Some of you sent us "getting to C.P. stories", ideas, suggestions, and C.P. pictures. THANK YOU!

Publicity

Hope you get a copy of the "Beacon." What a wonderful surprise to find so much on Crisp Point. We owe Dick Moehl & GLLKA yet another thanks. Jack Edwards of the "Cruiser" magazine put us on the COVER & wrote a lengthy & very informative article on lighthouses. THANK YOU so much for all the C.P.L. coverage. Only time may tell how helpful all of this has been to C.P.L.H.S.

A special thanks to JOHN FLESHER, a correspondent with the Associated Press. He snowmobiled to the lighthouse with us in February & his articles first hit the newspapers on March 23, 1997. We have been receiving clippings from all over the U.S. The government finally became interested in helping us. This effort helped tremendously.

We thank all of the reporters, newspapers, & magazines who carried feature stories on the plight of C.P.L.
